

YEARLY REPORT- 2021

GLOCAL PVT. LTD.

GLOCAL PVT. LTD. in a Nutshell

Glocal Pvt. Ltd. is a youth- led business enterprise working in the areas of education, entrepreneurship and skilling. Our core works is into development of young people through skill development and empowerment in coordination with different corporate, diplomatic and governmental organization in South Asia. Glocal's work focuses on training and development through Glocal After School and adding to growth, development and recognition of teenagers and youth through various projects like Glocal Teen Hero and Glocal International Teen Conference, also works as, Brand Consultant.

To sum up, Glocal is a company, which works adopting global strategy to create synergy through collaboration, leads learning with development initiatives, performs organized CSR & Brand consulting, committed to skill development approach in youths and teenagers that aims to build Skilled Workforce enhancing their employability skills and takes leadership in development and recognition of Teenagers and Youth.

OUR VISION

We are here to redefine the way businesses work in isolation. We promote Collaboration and believe in creating business synergies.

OUR MISSION

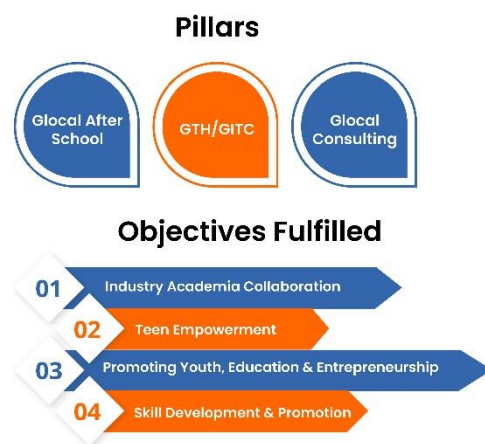

We are there to enhance the education experience. We plan, strategize and develop synergy between corporates and academia for a better skilled and competent human resource by planning, strategizing and developing through collaborations.

OUR OBJECTIVES

Building the education systems that concentrate on building a hierarchy of skills. Developing the capacity of people at each level through facilitating, upgrading and enhancement of the existing set of skills.

We have been successful in accomplishing our objectives, which encapsulates;

- Industry Academia Collaboration
- Teen Empowerment
- Promoting Youth, Education & Entrepreneurship
- Skill Development & Promotion

STEPS TO 7 YEARS OF SUCCESS:

Glocal Pvt. Ltd. since its inception in 2015, has been working in bringing stories of people who build up their story of achievement with failures & lot of efforts, then it started working in bringing out passion among young people and recognizing it. Glocal has made its way to 7th year of success adding value to each year. With all this process, Glocal realized the importance of Skills and Learning at different capacities and that led us in starting Glocal After School. Adapting the new global learning techniques and strategies yet being local, (as our name suggests), building an online learning community became a new success for Glocal this year.

During 2020, when we were highly affected by a pandemic, it created the largest disruption of education systems in history and that was the time when Glocal developed a concept which majorly focused on online skill-building activities in Nepal, with an aim to create '*Step in for Skillful Nepal*'.

Initiation of the concept of ECA Consultation in 2014 to different skill development and empowerment programs, also initiation of online learning community, 2021 for Glocal marks projects such as;

- Glocal Teen Hero / Glocal International Teen Conference
- CEO Unplugged
- Skill Week 2021
- Capacity Building Training on Project Cycle Management for Prime Minister Employment Program(PMEP) employment service center staff members
- Online Programs and Events (*Skill Competitions, Online Learning Festival, International Collaboration, Online (Live and Recorded Courses, Webinar and Sessions)*)
- CGIM presents *Tech Camp- IT Solutions for Sustainable Tourism*
- Motivational Session for Nepal Life Insurance Company's Head Staffs
- Youth Dialogue with Coca-Cola Nepal
- VIVO CSR Event

People Engagement

YEARS OF ACHIEVEMENT

2021 is the year that completes the seventh wonderful journey of Glocal Pvt. Ltd. We marked some great achievement for Glocal through its growth and success in various arenas and also introduced a new yet interesting online learning platform for the learners, to develop with different skills & competencies. Likewise, we also introduced two blog sites – for GAS & GTH where skill stories, stories of incredible teenagers, their journey & information about every online course, their benefits and career/job prospects are being shared via blog posts.

Glocal through its projects, and service has built up the trust and network from various corporates outreaching; Professionals/Corporates, Government, International Organizations,

Diplomats, Embassy, Youths and Educational Institutions. This marks out collaboration increment to be 49% and client increment by 62.72%.

We believe in building up good relationships with people, be it through the courtesy of work in empowering youths, development in the education field and promising for good service bring us to a prominent PR growth of 93.32%.

SOCIAL MEDIA ANALYSIS

Continued engagement with youths and people associated with the Glocal has resulted in the massive improvement in our social media analysis. We are delighted to share the social media analysis of this year that depicts increment in performance, followers, engagement growth to a total reach of 26.7 Million people.

Our engagement with people has been through many paths varying from competitions to training/workshop, Conferences; Interactions etc. which leads us to an achievement of 92.35% total engagement. Likewise, this year, our performance increment is 90.64% that is a significant progress in Glocal's journey.

GLOCAL PILLARS

The achievement and success of Glocal stands out in its 3 pillars that is:

1. Glocal After School
2. Glocal Teen Hero and Glocal International Teen Conference
3. Glocal Consulting

1. GLOCAL AFTER SCHOOL (GAS)

Glocal is a business enterprise working in the areas of education, entrepreneurship and skilling. Our core works are into the development of young people through skill development and empowerment in coordination with the different corporate, diplomatic and governmental organizations in South Asia. Glocal After School (GAS) has been a center for learning employability skills. Under this, we design various courses and programs that bridge the gap between prospective employers and employees.

We offer skill development courses along with various training, workshops, online and offline courses. The major projects of Glocal After School include Skill Week, CEO Unplugged, Research Projects and Online Learning. With the concept to develop what the market demands and create exceptional and well- skilled human resources, we are here introduced as Glocal After School (GAS). We have been successful in accomplishing our objectives, which encapsulate; Industry- Academia Collaboration, Teen Empowerment and Promoting Youth, Education & Entrepreneurship.

Notable Achievements in 2021

We continued to collaborate with our partners, collaborators, clients, young minds, students, teenagers & corporates to represent the interests of people in terms of the Skill Development approach.

- Able to create a MILESTONE; having 10,000+ successful enrollments at GAS in this skillful journey of learning and skilling
- 6 hours of Capacity Building Training on Project Cycle Management (PCM) for 1506 local governmental staff of 753 PMEP Employment Service Centers of Nepal
- 70 + Online Courses
- 6 recorded Courses
- 8+ (Corporates and Government)Trainings
- 55+ Industry Experts

The 2021 Strategic Plan was designed to align our organization around the priorities and objectives that allowed us to realize our vision of creating skillful development in terms of every sector.

Glocal After School continued to this new reality by shifting training and resources online and by collaborating closely with various stakeholders to provide support in the most effective way possible.

CEO UNPLUGGED 2021

CEO Unplugged is a yearly event organized by Glocal Pvt. Ltd. comprising a series of panel discussions where we try to establish a forum to discuss contemporary business challenges, opportunities and futuristic views with a sight of experiential learning to the newcomers in the business and students. Over the past five years, we had speakers from around 90 different organizations. CEO Unplugged is a platform to learn from renowned CEOs as they share their core knowledge, wisdom, strategy, and tactics in a company lifecycle, which helps to gain a new perspective and discover emerging trends required to accelerate and sustain growth in Skills. The enthusiasts also got the chance of sharing some great conversations, resources, networks, and innovative ideas with renowned personalities.

More than 100 aspirants participated in this highly anticipated event to network, learn, and share their ideas with the prominent entrepreneurs of the country and the topics for this year were as follows.

Panel 1: Workforce Upskilling and Reskilling

The first- panel discussion of CEO Unplugged was held on the topic- “Workforce Upskilling and Reskilling”. The panel had Mr. Asish Thakur, Executive Director of Glocal Pvt. Ltd as a moderator; Mr. Birendra Pandey, Vice-President, Confederation of Nepalese Industries (CNI); Mr. Cabinet Shrestha, Managing Director, Agni Incorporated Pvt. Ltd; Mr. Laxman Shrestha, Chairman/MD, Siddhartha Business Group of Hospitality; H.E. Ms. Nona Deprez, Ambassador, Delegation of the European Union to Nepal; as the panelist for the discussion. The discussion focused on the importance of youth upskilling and reskilling initiatives in order to enhance employee engagement and retention, recruit new talent, improve departmental coordination, and accelerate the adoption of new trends in any sector.

Panel 2: Skills for the Post-Pandemic World

The second- panel discussion was on the topic- “Skills for the Post-Pandemic World” The discussion highlighted the need for Nepal’s skills policy landscape to address new trends to

develop future skills, improve employability, encourage good work, learn and socialize in the post-pandemic world. The panel had Ms. Astha Sakha, Executive Director, Sakha Group; Mr. Sudeep Acharya, Managing Director, Dish Home; Mr. Suman Ghimire, Joint Secretary, MOLESS, Government of Nepal; and Mr. Ravi Phuyal, ing Group as our panelist for the discussion and was moderated by Mr. Tika Ram Yatri, Editor-in-Chief at AP1 HD TV.

SKILL WEEK 2021

Skill Week, a week full of events, creativity, skills, inspirations, insights were initiated by Glocal After School in March 2021. This was a week dedicated to performing workshops related to different skills, skill shows and exhibitions, learning hub and sessions along with entertainment components making this an infotainment week honoring the skills.

This event is the platform for youths to boost their insights, creativity and learn through a reality check world. It will deliver some exciting opportunities to ensure youths develop the right skills they need to succeed in the changing labor market.

Skill Week 2021 was successfully organized in the presence of dignitaries, diplomats, corporates and hundreds of youths from Nepal. The event succeeded in reaching more than 2000+ youth through workshops, sessions and competitions. During the event, 4 veterans were awarded with Nabil Skill Hero 2021, amidst a closing ceremony of Skill Week held in the Malahar Hall of Soaltee Hotel. **Mr. Gagan Pradhan**, MD at Himalayan Java (Tourism and Hospitality); **Kutumba**, a folk instrumental (Art and Culture); **Ms. Shanti Chadha**, Founder President of the Federation of Women Entrepreneurs Association of Nepal (Entrepreneurship) and **Mr. Pavitra Bahadur Gautam**, Co-Founder and CEO of Karkhana (Science and Technology) was awarded with Nabil Skill Hero 2021.

GLOCAL AFTER ONLINE PROGRAMS

With the dedication to Building Online Learning Community, Glocal After School initiated Online events to engage people in skill development activities. Coming to this date GAS has successfully conducted over 70+ Live Online Courses; 6 Self-Paced Online Learning Courses along with Online Webinars & Competitions. Glocal After School has been providing various Corporate Training/ Courses along with skill enhancing courses for the students and professionals.

a. Eduten Playground:

Glocal After School, collaborated with Eduten (*#1 Digital Math Learning Platform. From Finland*) to bring digital learning and teaching innovation called Finland Math to school students of Nepal. Finland Math includes Eduten Playground, a gamified and AI-based exercise platform that provides a scientifically proven improvement on learning results, teacher wellbeing, and student motivation. Eduten develops, manufactures and offers to customers a cloud-based software platform for educational purposes, associated with related professional services and documentation.

Glocal signed an agreement with Eduten with the vision of developing mathematical skills for the school students here in Nepal, and they will be able to learn Mathematics with much ease, due to its gamified AI technology. Intended to equip students with valuable learning opportunities that will support their success in the future, the course includes mandatory tips and techniques, to solve their curriculum.

b. Unschool:

Unschool is the new, easy, and definitive path for keeping up with 21st century skills. It is the platform where learners can fit in a system crafted for the masses and learn in a unique way that brings out the best version of themselves. Glocal collaborated with Unschool, for bringing skillful self-learning courses on various themes like communication, IT, Business, Science & Technology, Life Skills and many more to the youths & professionals.

c. Capacity Building Training on Project Cycle Management (PCM) for PMEP Employment Service Centers Staff Members

The Ministry of Labour, Employment and Social Security; Prime Minister Employment Program has successfully organized 6 hours of Capacity Building Training on Project Cycle Management (PCM) for 1506 local staff of 753 PMEP Employment Service Centers of Nepal. The training was implemented by Glocal After School, a venture of Glocal Pvt. Ltd in support of ILO.

The 10 days Capacity Building Training on Project Cycle Management (PCM) was conducted by providing training to 753-employment service centers local staff on basic principles of results-based management basics, and communication. Four dynamic trainers facilitated the

training who had the experience of leading multiple training programs and consulting services for project planning, mapping, and implementation.

Participants were introduced to Project Cycle Management Fundamentals, Tools and techniques for project design and management, monitoring and evaluation, Public employment programs, learning and experiences, Approach of Documentation, Reporting and communication and Effective services and delivery by employment services centers.

d. Knowledge Maestro Competition:

Knowledge Maestro, an initiation of Glocal After School in association with Kings College and eSewa was organized on the *27th of November* to make young people engaged in intellectual activities. The online competition was made available to every individual (*16- 24 years old*) to participate through Glocal After School. The main motive behind organizing the competition was to help participants gain and utilize their knowledge, and also to encourage the exposure of youth and commend their efforts towards active learning and analyzing. Not just the knowledge, but the quiz competition was announced with 3 Winners who bagged the cash prize of Rs. 10000, Rs. 5000 and Rs. 2000 respectively.

e. Movers Workshop:

Glocal successfully conducted 15 Movers Workshop this year. Movers Workshop is a 2-hours fun and interactive workshop that consists of a series of activities such as facilitated group and plenary discussions, self-reflection exercises and role-plays, that is being organized to Understand and empathize with the priorities of other youth from various backgrounds, relating it with the values of UNDP's core values and mission. It also highlighted the current and future priorities of youth in the Asia Pacific. Mover's Workshop was initiated by UNDP Youth Co: Lab in support of Intercultural Education (ICE) to develop a community of volunteers who can take action.

f. CGIM presents Tech Camp- IT Solutions for Sustainable Tourism

CGIM presents "*Tech Camp- IT Solutions for Sustainable Tourism*" was conducted in collaboration with Glocal After School. Tech Camp - IT Solution for Sustainable Tourism was a 2- days free non-residential event being organized focusing on problem solving and quick-

thinking skills. This camp is especially for the young minds making them come together to UNDERSTAND- ANALYZE- CREATE sustainable solutions for Tourism with IT.

g. GAS Monthly Quiz:

Skillful learning is the process by which learners examine and evaluate their feelings, experiences or beliefs about learning to cultivate and grow self-knowledge about how they learn best. In this modern world, skills are something that makes an individual unique, successful and a better person. The assessment gave real-time experience in evaluating their abilities by taking complimentary online quizzes. We organized 12 GAS Monthly Quiz.

h. KWS presents Online Learning Fest 2021

KWS presents Online Learning Fest by Glocal After School, was an inter-school level SEE students engagements program to uplift student's enthusiasm, creativity and energy. It was conducted on 11th August, 2021 to 4th September, 2021. The event had several workshops, competitions & motivational sessions.

i. World Youth Skills Day Celebration:

World Youth Skills Day 2021 was conducted on July 15, 2021 with the theme – “*Celebrating the resilience and creativity of youth throughout the crisis.*” We had an 1-hour virtual youth dialogue where we had prominent speakers from different areas discussing the ever-increasing significance of youth skills as the world is embarking on a transition towards a sustainable model of development.

The virtual event highlighted the role of skills in youth, and the discussion will be on the same theme, about how we can enhance the creativity of youths. The event was led with a dialogue from different skillful personalities sharing their perspective.

j. Online Courses:

Glocal was uniquely positioned to provide relevant skillful online courses for our enthusiastic learners. The GAS platform provided a wide range of content for both work-related topics, like communication skills, and personal interests like emotional intelligence, leadership and many more. The 70+ online courses were from various fields that included Communication, Business, Technology, Education, Tourism & Hospitality, Art & Culture and so on.

Other Events:

Some of the remarkable online events organized by Glocal After School in 2021 are *online Teachers webinar, Skillful Lockdown Competition, Skillful Offers for Online Courses, Exciting Festive Offers.*

2. GLOCAL TEEN HERO AND GLOCAL INTERNATIONAL TEEN CONFERENCE

Glocal Teen Hero is initiation of Glocal Pvt. Ltd. that honors and elevates youth by allowing them to share their passion and creativity. It is the nation's first-ever national program, recognizing devoted, passionate, and innovative youngsters from around the country.

This platform aspires a change-maker teenager to lead their initiation and act for good change in society and the world. It is a fully funded program for teenagers that focuses on personal and professional development through a variety of opportunities and networking. It is Nepal's sole national forum for recognizing and honoring remarkable teenagers whose originality, dedication, experience, and strong leadership have aided them in achieving life success.

This award honors and recognizes the extraordinary teen whose work is sustainable and who can think beyond the box when it comes to tackling challenges and making a difference in society. This platform also aims a teen change-maker to lead their initiation and act for a positive change in society and/or the world.

The seventh edition of Glocal Teen Hero in year 2021 was a success, with teenagers being recognized (*Nepal and Srilanka- Virtually; India- Physically*) taking the safety protocol in charge.

Objectives of GTH

To inspire and empower teenagers to venture beyond of their comfort zones, be innovative, and think entrepreneurially.

To provide recognition to teenager's accomplishments and initiation, as well as to serve as a motivator for other teen fellows to develop leadership skills.

Provide a national recognition with as well as a pool of opportunities.

Creating platform to meet and develop network with motivational and inspirational figure from Nepal's diverse industries.

To recognize 20 teenagers as an early change-maker "Glocal's 20under20".

Disseminate teen initiations around the world and offer them with a common forum to discuss their ideas and collaborate through Glocal Teen Hero Alumni's.

To encourage networking on positive venues.

Years of Success

Glocal Teen Hero is now completed its seventh year, and it has made history by recognizing 122 teenagers. The project sets an example by appreciating the work of the teenagers and providing them with a constructive platform to display their talents and abilities.

Glocal Teen Hero has already established itself as a nationwide platform, empowering youths around the country, from 2015 to 2021. The mission is to bring together like-minded teenagers who will use their creativity to better the country.

It is always a proud moment to witness following teenagers who are doing incredible work to make a difference in society. Their works and contribution led them to experience a victory of being recognized as "Glocal Teen Hero".

Glocal Teen Hero 2021- Partners

From the beginning of Glocal Teen Hero until the present day, the ability, work, and passion have left a lasting influence on society. The society has changed as a result of the perception that teens are children. The trust of partners and sponsors has grown as a result of the transformation in teenagers and their recognition through this platform. In 2015, 5 partners trusted the initiative followed by the addition of partners to 24 in 2016. In 2017, 26 partners trusted it which led to the successful year 2018 having 32 partners. Similarly, we gained 34 partners and 29 partners in the year 2019 and 2020 respectively to support our event and our goal of empowering youth and giving them with a variety of options, as well as recognizing them. At present, Glocal Teen Hero, along with its 30 partners has been continuously adding value to the society by recognizing and empowering amazing teenagers as future change-makers.

Glocal International Teen Conference 2021

Glocal International Teen Conference (GITC) is an amazing platform for passionate teenagers from around the globe to share their insights, initiation, and perspectives to bring impact in the society and respectively in the world. The conference aims to address the issues and overcome the barriers by boosting leadership, empowerment, and social impact through a participatory and interactive environment with their peers from all over the globe.

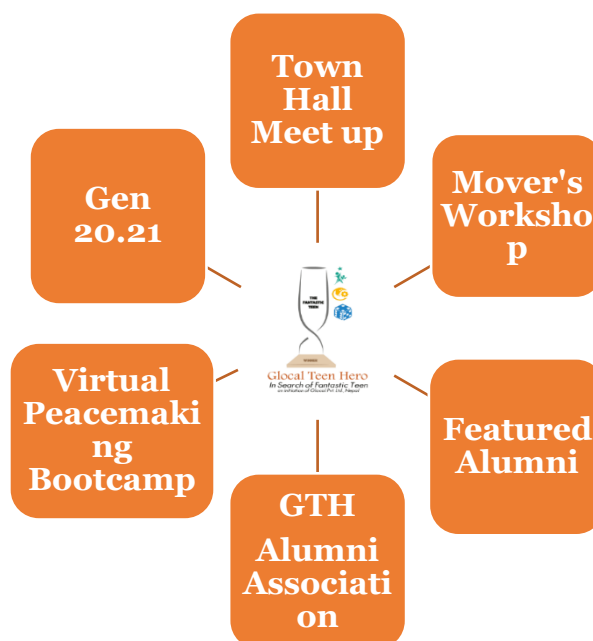

The year 2021 marked the fifth edition of Wai Wai presents Glocal International Teen Conference 2021 which was conducted virtually from **28, 29 and 30th of August, 2021**. The conference was set for 3 days and was benefited by **255+ national and international teenagers** from different countries.

The teenagers were from the Philippines, the U.S, Nepal, India, Mexico, Bangladesh, Tunisia, Liberia, and Pakistan. 15 Speakers and 3 Presenters were selected to inspire the fellow teenagers through their beautiful insights and experience with active interaction in a panel discussion session.

Panel discussion session was done on three aspects i.e. Entrepreneurship, Empowerment & Socio-perspective between teenagers all around the world. Apart from that the conference also had mentorship and networking sessions. Different individual mentors were from a diverse field of experts. They guided teenagers with their ideas, insights, and knowledge followed by a Q & A session.

GTH Engagement

GTH Town Hall Meet UP

It is a virtual gathering of Glocal Teen Hero Alumni from around the world who want to connect, collaborate, and share information. It brings alumni together to foster a sense of belonging and encourage everyone to strive toward a common goal. Various fun and engaging games, as well as learning opportunities, were included in the meet up.

The growth of Alumni members is always a priority for GTH. It plays an important role in bridging the gap between alumni's and chances by providing them with a platform where Alumni may advance their careers. We've witnessed alumni members who have been offered new avenues and are now performing incredible job on a global scale.

Movers Workshop

GTH Alumni members have actively participated in the Movers Workshop and have facilitated the workshop in Nepal and other countries. The Mover's Workshop was organized by UNDP Youth Co: Lab to establish a community of volunteers who can take action. Alumni members are being able to connect and interact with youths from several countries and collaborate to raise awareness of the SDGs through different workshops.

Featured Alumni

Since 2015, we have been acknowledging the initiation of teenagers on a national level, as well as on a South Asian one. To date, the GTH Alumni community has over 300 members from all around the world, and it continues to develop.

Every month, we feature one of our alumni, focusing on their current contributions to society. We feel that their determination to make a difference has always driven them to pursue their passion, establishing them as one of the nation's and world's change makers.

GTH Alumni Association

GTH Alumni Association was formed to bring Alumni members together to collaborate and act collectively for the sustainable development goals and to give a shared platform for Alumni to execute their initiation and creativity in order to make an impact in society. The association was initiated in 2018 with the motive of keeping all the alumni connected. Different engaging and opportunities are shared among the members through the association. Led by the Alumni members then, it is still an active platform for all of them to connect, collaborate, and share information.

Peacemaking Bootcamp

Peace-Making Boot Camp is a boot camp that was formulated along the lines of the Peace First Labs which was designed to lead young change makers through the journey of identifying the injustice in their community. The Boot Camp was a week-long event, where young minds were guided in formulating more coherent solutions to the issues they were addressing, also develop their understanding about meeting 2030 Goals and Agendas.

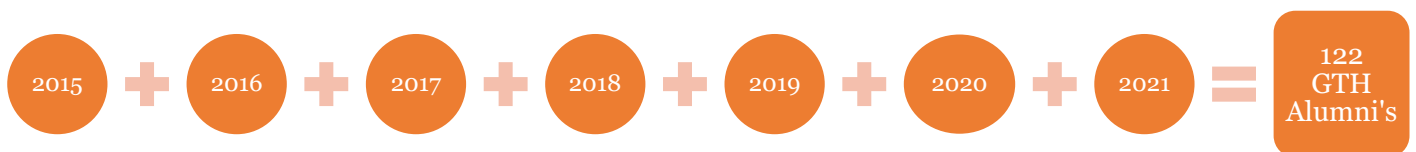

A week-long event was conducted during the camp along with an opportunity to present their project ideas which were directed towards solving injustice in the society hence achieving sustainable development goal. To summarize, a week-long bootcamp was all about learning, developing senses for personal responsibility, by achieving ways for concrete actions, at the end providing Mini-Grants.

Gen 20.21: It's all about Teens

In the year 2021, a new initiation of webinar series to highlight or exhibit various social concerns in order to assist youth comprehend them from a larger perspective was done. At the same time, teens working on various SDGs to make a good effect will have the opportunity to learn from and engage with experienced leaders from many countries, as well as share their perspectives in their respective fields.

This initiation was a part of Glocal Teen Hero, which was a learning platform that allowed anybody to get involved in skill development, identify their needs and interests, pursue their passion, and direct their initiation. Number of programs focusing on teenagers on a variety of issues was conducted in 2021.
