Glocal Teen Hero

Glocal Teen Hero is the platform for teenagers to identify and honor outstanding teenagers whose creativity, commitment, experience, and strong leadership have helped them achieve success in an increasingly challenging environment. This award recognizes and honors the exceptional teen whose work is sustainable and who can think out of the box addressing the issues and creating an impact in society. Fostering a collaborative community among recipients and strengthening national recognition of today's young leaders is a primary goal of the Glocal Teen Hero Award.

Financial Literacy Training for Women

Financial Literacy Training for Women was a 3-hour training conducted for 200+ girls/women segregating them into 6 batches, trained by experienced trainers in Financial Literacy. The project focused to strengthen their financial literacy and implementation of financial activities.

The main goal of the Financial Literacy project was to make women financially secure and give training regarding economic freedom, and financial literacy. The program focused on training

Girls/women of the Madhesh State and guided them the ways to become financially sustainable. Women presently face much more financial complexities than the male of the community.
